I gave talking points to Chris Beach. Also, got them from the Region and passed them on. He was tasked with this so don't know why you would have been asked to do it. If you would like to review what he has, I am sure he would provide.

We offered assistance to Liz and were tasked with writing talking points for SP's announcement on Anaconda on Monday. Do you already have that done? Don't want to duplicate efforts.

The agreement was finalized yesterday and we are collecting signatures today.
